

Presentation of the Discovery project at the European Researchers' Night 2025 at the University of Novo mesto

The University of Novo mesto presented the **Discovery project** to the international public at the **European Researchers' Night 2025**.

The project connects digital entrepreneurship with sustainable practices in higher education, preparing students for the challenges of the green and digital transition. The event took place on **26 September 2025** at the University of Novo mesto and is co-funded by the **Ministry of Higher Education, Science and Innovation** within the framework of the **Science Month** programme.
